Barry:

Thank you very much for your speedy response to my query about the CabinAire/Room Mate. The Bilge Buster seems to be working great and we are ready to try the Room Mate as well. Although shipment of these products was not as fast as we would have liked (and we understand the reason being the high demand for these products) , communication with your company was excellent! We would not hesitate to recommend Quantum to any of our friends, or to purchase more of your products in the future.
