Dear Barry:

I am writing this letter to you to tell you how very satisfied I am with you air purifier. I run a very prominent hair salon in Rochester, New York. I use your air purifier in my shop to help rid the the air of the harsh odors caused by the many chemical solutions we use.

When I open the door in the morning, the entire shop smells incredibly fresh, as if it had just rained. There is a refreshing, cool feeling to the air thanks to your product.

I want to thank you for the wonderful customer service I have received as well. You have one very satisfied customer, and I will pass the word along to my colleagues and clients.

Thank you again.

Sincerely,

Bobby Buonomo
